ABOUT MAHAMANA HOCKEY GOLD CUP TOURNAMENT 2026

GHODA KATORA, RAJGIR

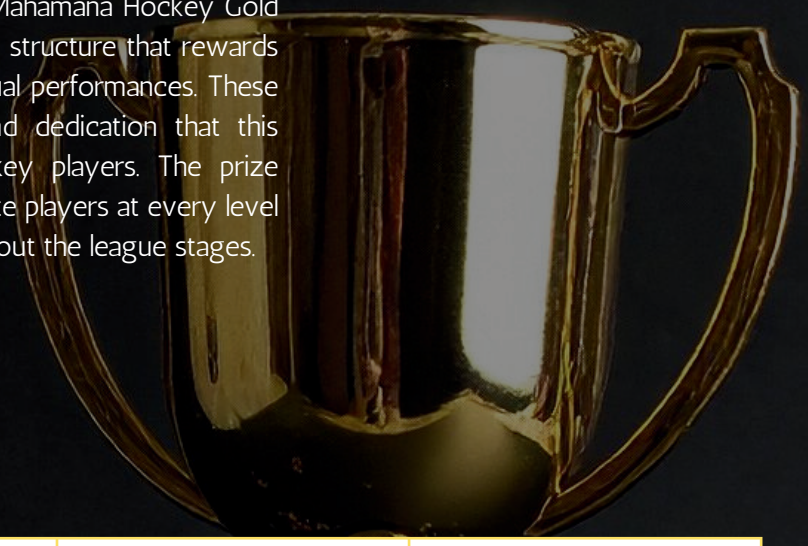

The Mahamana Hockey Gold Cup Tournament 2026 is more than a sports tournament—it's a visionary step toward nurturing a stronger, healthier, and more disciplined generation in Bihar. The Mahamana Hockey Gold Cup Tournament 2026 is an Under-16 inter-state (North -East Region tournament) designed to promote hockey, discipline, teamwork, and sportsmanship among the youth of Bihar.

As one of India's youngest states, Bihar holds immense untapped potential, yet the development of sportsmanship and a structured sporting culture has not progressed at the pace the youth truly need. Sports play a vital role in shaping character, fostering teamwork, resilience, leadership, and guiding young minds towards positive growth. Recognizing this need, the Mahamana Malviya Mission, a collective of BHU alumni inspired by the ideals of Mahamana Pandit Madan Mohan Malviya, has undertaken the initiative to organise this event. **Malviya Ji firmly believed that education was incomplete without physical development, moral strength, and a spirit of healthy competition—principles that placed sports at the core of his educational philosophy. Guided by his vision of holistic human development, the Mission seeks to create a vibrant sporting ecosystem in Bihar, particularly through hockey, a sport deeply embedded in India's heritage.**

The Mahamana Hockey Gold Cup Tournament aspires to become a platform that identifies young talent, instills strong values of sportsmanship, and encourages the youth of Bihar to excel confidently at district, state, national, and international levels.
